

# Meeting Notes

Rensselaer County MS4 Communities Meeting  
Hudson Valley Community College  
Bulmer Building Auditorium  
November 16, 2021  
10:00 a.m.

The meeting started with introductions.

Ms. von der Heide stated that Megan Myers was the one who had requested that Lunch and Learn be put on the agenda and unfortunately, she wasn't there. Topics requested were BMPs, LID, reporting.

Under Local BMPs, Ms. Barrie stated that during the HVCC audit, they found that non-HVCC associated workers along Route 4 were dumping debris into catch basins. It was recommended that they inform the DOT engineer in charge, if it is a DOT project, or the DOT county engineer, whose offices are down the road on Route 4 in East Greenbush.

North Greenbush has been doing inspections of residential properties along the There are 450 feeder streams. There is a 3 to 1 replacement

DEC is allowing North Greenbush do clean out debris in the Wynants Kill where the debris is increasing the possibility for flooding. The Town is inspecting residential sites along the creek

Mr. Daley stated that he is working on a watershed plan for the Tomhannock Reservoir. He also stated that on April 29, CDRPC will be holding their Spring Training Workshop with 3 tracks.

The next meeting will be held in the Bulmer Auditorium in HVCC.
